SENIOR SAFETY

As we get older, our chances of being victims of crime decreases dramatically. Though we are on the lookout constantly for physical attack and burglary, we are not as alert to frauds and con games - in reality the greatest crime threat to seniors' well being and trust.

Here are some common-sense precautions.

- Be Alert When Out and About
- Go with friends or family, not alone.
- Carry your purse close to your body, not dangling by the straps. Put a wallet in an inside coat or front pants pocket.
- Don't carry credit cards you don't need or large amounts of cash.
- Use direct deposit for Social Security and other regular checks.
- Whether you're a passenger or driver, keep car doors locked.
- Be particularly alert in parking lots and garages. Park near an entrance.
- Sit close to the driver or near the exit while riding the bus, train, or subway.
- If someone or something makes you uneasy, trust your instincts and leave.

- Make Your Home Safe and Secure
- Install good locks on doors and windows. Use them! Don't hide keys in mailboxes and planters or under doormats.
- Instead, leave an extra set of keys with a neighbor or friend.
- Ask for photo identification from service or delivery people before letting them in. If you are the least bit worried, call the company to verify.
- Be sure your street address number is large, clear of obstruction, and well-lighted so police and other emergency personnel can find your home quickly.
- Consider a home alarm system that provides monitoring for burglary, fire, and medical emergencies.

- Watch Out for Con Artists

- Never give your credit card, phone card, Social Security, or bank account number to anyone over the phone. It's illegal for telemarketers to ask for these numbers to verify a prize or gift.
- Don't let anyone rush you into signing anything - an insurance policy, a sales agreement, a contract. Read it carefully and have someone you trust check it over.
- Beware of individuals claiming to represent companies, consumer organizations, or

Does Your Community Have a Triad Program?

Triad promotes partnerships between senior citizens and the law enforcement community, both to prevent crime against the elderly and to help law enforcement benefit from the talents of older people.
