Beginning January 1, 2017, trash rates for the City of Mishawaka are as follows:

Basic Rate: \$14.86 per Dwelling Unit per month

Senior Rate: \$12.09 per Dwelling Unit per month

As a service to our Mishawaka residents, and in accordance with Mishawaka City Resolution No. 2016-26 every four years the City of Mishawaka receives bids for the trash/recycle service. This is our way of making sure Mishawaka residents get the lowest price and best services possible. In 2016, we awarded the Contract to **REPUBLIC SERVICE**, the lowest, most responsible bidder.

Every resident in Mishawaka is required to use **REPUBLIC SERVICE** by City Resolution No. 2016-26, for a copy of Resolution No. 2016-26, please call the Mishawaka Clerk's office at: (574) 258-1616. Your service begins with the activation of your Mishawaka Utilities. Residents will be billed for trash service on their **Mishawaka Utility Billing**.

Billing: Residents will be billed for trash service on their monthly utility bill. Any questions regarding billing should be directed to the Mishawaka Utilities at **(574) 258-1630**.

Collection: Collection of garbage, recycling, large item pick-up, and yard waste will be done on a weekly basis, Monday through Friday, anytime between the hours of 6:00 am and 6:00 pm. Trash collections shall be made in front of the residence at the street within 5 feet of the curb or the edge of an alley or private street easily accessible by **REPUBLIC SERVICE** equipment and abutting the dwelling unit. Recycling will be collected in front of the residence at the street. All collections should be placed within 5 ft. of the alley or curb.

Senior Rates: Customers must be 65 years or older, and the discount is available only to the property owner, not the tenant (if dwelling unit is a rental property). Customer must provide a copy of birth certificate or driver's license to the Mishawaka Utilities office for verification of age for the senior rate; discount will be applied to the next billing cycle.

Vacancies: If a dwelling is empty, not in use, and not producing trash, then the billing and service may be stopped by completing the "Trash Service Vacation and Vacancy Form" at least 30 days in advance. This form is available at the Mishawaka Utilities Business Office located at 126 N. Church St., Mishawaka, IN. If the home is occupied or producing trash, at any time, the vacancy status will end.
