# CURRENT GOLF FEES & CHARGES

## THE "HOLE" TRUTH

- In 1929, land was given to the City of Mishawaka by the Frederick George Eberhart family to erect a public golf course. This allowed the creation of a 9 hole golf course along the south side of the St. Joseph River. The course was named Eberhart Municipal Golf Course.
- In 1943, Petro Park, on the north band of the St. Joseph River, was prepared as a 9-hole greens golf course. Prior to this, the land had been developed by the Works Progress Administration in the mid to late 30's as a park and was named after the tenth Mayor of Mishawaka, Mason L. Petro.
- In 1948, Petro Park was added to the earlier developed Eberhart Municipal Golf Course.
- In 1949, the course became jointly known as the Eberhart-Petro Municipal Golf Course.
- This 18 hole golf course provides avid golfers a round of golf along the peaceful, scenic St. Joseph River.

# CURRENT DISC GOLF & TUBING FEES & CHARGES

## GEORGE WILSON PARK

Named after a popular high school coach, the park is home to a nationally ranked 18-hole disc golf course in the spring, summer and fall months, and a tubing hill in the winter months.

The park rests on the corner of Dragoon Trail and Clover Road on the south side of Mishawaka and includes a variety of amenities to accommodate both disc and tubing seasons.

With picnic tables, a children's playground, and nature trails, the "Hill" also provides plenty of opportunity for star gazing, picnicking, and nature walks in the summer. In the winter time, the warming shelter (with both furnace heat and fireplace warmth) can melt any snowperson after a few tumbles down the tubing hill.

With ample parking and lighting, both disc golf and tubing activities can last into the evening hours, providing families with fun things to do together.
