

Elementary Athletics & Mishawaka Parks

The Mishawaka Parks & Recreation Department and School City of Mishawaka have partnered together to provide youth sports to children who live within the School City of Mishawaka boundaries. This joint venture began in 2000 with a tackle football program, affectionately termed "MFL" for Mishawaka Football League, and has now blossomed to offer seven (7) additional programs, including youth wrestling, youth flag football, boys basketball, boys track, girls basketball, girls track, and girls volleyball.

Eligibility Requirements: All students that are enrolled within the School City of Mishawaka System, and are within the age requirements of the individual sports program offered, will be eligible to compete within the leagues offered by the Park and Recreation Department. Students living within the School City of Mishawaka boundaries attending either parochial schools or home-schools are also eligible to participate.

Interested students attending a Penn Harris Madison, South Bend, Jimtown, or other school will be placed onto a "waiting list" and will be allowed enrollment only if additional athletes are needed to make up a team to compete in a particular sport. Wait-list athletes are contacted on a first come, first serve basis and as needed. Additional information on youth athletics can be found at:
